**Abstract**

Text of this abstract

Main part of the article. An example of an equation:

$$E = mc^2$$

Here, an example of NN can be presented as:

Also, an example of some system of equation is shown:

$$\begin{cases} 2x + y + 3z = 10 \\ x + y + z = 6 \\ x + 3y + 2z = 13 \end{cases}$$

The article is finished.
